## Work Experience

---

### **Working Mask polymer as a maintenance engineer**

System PVT

2018 to 2019

Oil filter Cleaning machine Assembly and maintenance (2018-2019).

- Working Mask polymer as a maintenance engineer.

COMPANY PROFILE:

- Polybond P.V.T

One Work in Polybond company as a maintenance fitter, rubber molding Hydrulice machine maintenance.

- Oil Max System P.T.V:

One Year work in Oil max System. Oil Filer Cleaning Machine Assembly Maintenance

- Mask Polymer

Work in rubber Hydrulic Machine Biyna Exudter machine maintenance.

WORKING PROJECT:

- Rubber Compression Molding Machine.
- Rubber Injection Molding Machine.
- Rubber extruder.
- Rubber Cutting Machine.
- Trimming Machine.

### **Maintenance Fitter as apperitence**

Polybond India PVT

2016 to 2017

## Education

---

### **Diploma**

## Skills / IT Skills

---

- Machine maintenance, breakdown & preventive maintenance, control panel wiring & testing.
- Overall maintenance of rubber Compression Molding & Injection Molding machines.
- Overall maintenance of Plastic Blow molding machine, Plastic Welding machine.
